If you have been involved in an accident that was not your fault, let **QDOS Accident Assistance** manage your claim.

Our team of specialist industry and legal experts will manage every aspect of your accident claim, guiding you through the claim process, giving you complete peace of mind and ensuring you receive the very best settlement possible.

Benefits to you:

- *If it's not your fault you don't have to use your own comprehensive policy.*
- *We only use totally independent engineers to inspect your vehicle, agree repair costs, or if your vehicle is beyond repair, agree a realistic valuation for you.*
- *You don't have to have your car repaired at your own insurance company's approved repairer simply because they tell you to.*
- *If you drive a large saloon car, you won't be given a small inappropriate vehicle as a replacement.*
- *You won't have a policy excess to pay or any reductions on your No Claims*

Bonus

if you have been involved in an accident that was not your fault we can help you

QDOS can:

Allow you to choose your own bodyshop or repairers.

Use totally independent engineers to inspect your vehicle and agree repair costs (or a vehicle valuation if beyond economical repair.)

Replace your car with a vehicle of a similar size.

Ensure you pay no policy excess charges.

Pursue compensation for:
Any personal injury, for you or any injured passengers.

Any loss of earnings
Any depreciation in your vehicle's value.

For immediate accident assistance call us now on our freephone helpline number.

FREEPHONE HELPLINE

Your Insurance company may not:

Generally let you choose your own bodyshop.

Give you a comparable replacement car.

Pay your policy excess even though you are not at fault.

Independently pursue compensation for yourself and/or passengers for any injuries sustained.
